"Be the best that you can be"

Thursday 16<sup>th</sup> February 2018

Dear Parents/Carers,

### Year 2 Newsletter: Spring 2 2018

This half term our topic is: **How can we perfect the Potteries?** Our topic will focus on how we can improve the local area together with a big science topic of plants.

#### Dates for the diary:

On Wednesday March 7<sup>th</sup> we will be going on a walk around the local area.

On Friday 9<sup>th</sup> March 2018 we will have our WOW afternoon when we would like to invite Grandparents/Relatives/Friends to join us for a cup of tea and a chat about what life was like for them when they were growing up. (2pm-3pm)

#### Points to remember:

- Homework - this will be given out each **Friday** and will need to be handed in on the following **Wednesday**. Please note there are **two** pieces of homework to be completed each week, one Maths and one English. It really is important for the children to complete the homework to consolidate their learning and we would really appreciate the work being given in on time (Wednesday) as we have to have time to mark it and get the next work stuck in. Please encourage your child to join their handwriting.
- Spellings continue to be sent out on a Monday. These are to be returned on a Friday.
- Reading - we ask that you read with your child each night and make a note in their diary with regards to how they have read. Once you are happy that your child has read and understood the book please note this in the diary. In Year 2 we continue to promote independence therefore your child will be choosing their own books, we will be encouraging them to read a wide variety of books including fiction, non-fiction and poetry.
- PE -this term, our PE is on a Tuesday and Friday. It is important that children have the correct kit in school at all times and that it is labelled with their name. Everyone is expected to take part and a note from a parent is required from anyone unable to take part due to medical grounds.  
NB\* No jewellery is to be worn for PE; Earrings should be removed if possible if not they should be covered with plasters for PE (provided by home).

Below is a breakdown of the questions we will be trying to answer each week.

	Week 1	Week 2	Week 3	Week 4	Week 5
Questions	How do the things around us change?	What's in our street?	Which way shall we go?	What makes the flowers grow?	What animals can we find in our garden?
Maths	Addition and Subtraction	Addition and Subtraction	Geometry and Fraction	Measure - Time	Consolidation

Thank you for your support and if you have any questions please come and speak to us, we are usually available at the end of the day or send us a message via Dojo.

Yours faithfully

Mrs Hague and Miss Mendoza

Mrs Hart and Mrs Cordall
