"Be the best that you can be"

Friday 24th May 2019

Year 1 Newsletter: Summer 2 2019

Dear Parents/Carers,

This half term our topic is: Why do we love to be beside the seaside?

Our Fabulous Finish is going to Llandudno on Tuesday 9th July 2019.

This term we will be learning about what the seaside was like in past and how the seaside has changed. By the end of this topic we should be able to name key physical features of the seaside. We are also making some amazing lighthouses to light up the seaside!

We will be having a chippy afternoon on Friday 5th July for parents/carers/grandparents to come and share chips with their children. We will be asking for a small donation beforehand to cover the cost of this. The afternoon will run from 2pm until 3pm. We look forward to seeing you there!

Points to remember:

- Reading: we ask that you read with your child each night and make a note in their diary with regards to how they have read. To help your child develop their reading skills, we recommend that they read each book at least twice and answer any questions about what they have read to secure their understanding and comprehension. Books are changed on a Monday, Wednesday and Friday and this is completed by an adult. We ask that you write "book finished" when children complete so that we know to change.
- Every Monday your child will also bring home a set of spellings which they should complete daily. These need to be completed as on Friday we will have a spelling test on these words.
- PE- please ensure that your child's complete labelled PE kit is in school daily. PE will be on a Tuesday and Thursday. Please ensure that your child has the correct team colour PE top.
- No jewellery is to be worn for PE; Earrings should be removed if possible, if not they should be covered with plasters that are provided by home.

Below is a breakdown of the questions that we will be trying to answer each week.

Area of learning	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
Learning Challenge Curriculum	Where is the seaside?	What can we hear at the seaside?	Who are Punch and Judy?	Which material makes the best beach towel?	How has the seaside changed?	What lights up the seaside?	Why do we love to be beside the seaside?
Maths	Fractions	Fractions	Multiplication and Division	Addition and Subtraction	Consolidate Measures	All aspects related to Number	Consolidate and Assess

Thank you for your support. If you have any questions please come and speak to us, we are usually available at the end of the day. Anything that you need from us, we are very happy to help.

Many thanks,

Mrs Hague and Miss Day
